The 2018 Municipal Election is on the horizon – electors in ten municipalities within Leeds and Grenville will be casting their votes for the offices of Mayor, Councillor, and School Board Trustee in October 2018.

Are you on the Voter's List?

You can make sure that your name and mailing information are listed correctly on the Voters' List by contacting your Municipal Office with photo identification during business hours and until polls close on Election Day.

Vote at your convenience by internet or telephone

Internet and telephone voting will be available throughout the voting period, and paper ballots will be available on Election Day in certain municipalities.

Keep an eye out for your Voter Information Letter in the mail in late September. This letter will provide your options for voting, details about Advance Voting, and locations of Voter Help Centres. It also contains a Personal Identification Number, or PIN, which will grant you access to the electronic voting system, allowing you to vote any time, anywhere during the voting period, which begins Monday October 15th at 10:00 am and ends Monday October 22nd at 8:00 pm. Any touch-tone telephone or device with access to the internet will be able to access the voting system.

If you do not have access to a device during the voting period or if you need help casting your ballots, Voter Help Centres will be available with devices for your use, as well as staff members to help. If you prefer to cast your vote the traditional way and you are voting in the Augusta, Prescott, Edwardsburgh Cardinal, Gananoque, Merrickville-Wolford, North Grenville or Leeds & Thousand Islands elections, you can also cast paper ballots on October 22nd from 10:00 am to 8:00 pm at your designated polling station or Voter Help Centre.
