

Our Trip to...

The Kemptville Pool!

Week 5: Wacky Water

During our Water week on August 1st we will be visiting the Kemptville pool for a swim. We will be participating in their public swim and all campers who choose to swim will participate in a mandatory swim test.

We will be swimming in the afternoon and will be spending some time after playing at the nearby park to really enjoy the summer and the activities!

**\$10 field trip fee
