FIBRE RECYCLABLES

Ensure that lightweight or loose material is not on top that will blow away and litter.

Place these items in the BLUE BOX:

Boxboard (with liner removed):

- Cereal, cracker & cookie boxes; Pizza boxes; Egg paper cartons; Frozen food boxes; Fibre board packaging (medicine boxes, toiletries boxes, toothpaste boxes, etc).
- Shoe & tissue boxes; Detergent cartons; Toilet paper rolls; Paper towel and rolls;
- Corrugated cardboard: Flatten all boxes before placing in the Blue Box. Tie together flattened large boxes; place beside or under the Blue Box. Insert smaller flattened boxes inside larger boxes.
- Magazines; Catalogues; Calendars; Books; Clean paper shopping bags; Paper packaging; File folders; Posters; Telephone books.
- Fine paper (writing, computer, fax or mail); Gift wrap paper; Greeting cards; Envelopes;
- Newspapers; Flyers (glossy or plain); Junk mail; Index cards; Shredded paper.

Do **NOT** put in the BLUE BOX:

- Waxed cardboard
- Soiled paper & boxes
- Coffee and drink cups
- Pizza boxes with food residue.
- Styrofoam
- Plastic bags

CONTAINER RECYCLABLES

All items must be empty, rinsed and clean.

Place these items in the BLUE BOX:

- Plastic Bottles/Jugs/Lids with recycling symbol.  Number 1 - 7
- Soft drink; Juice & water bottles; LCBO bottles; Margarine & Yogurt tubs; Plastic ice cream containers; Plastic egg cartons.
- Pails; Tubs; Plastic take-out trays; Windshield washer jugs; Household cleaning products; Laundry products.
- Personal hygiene (shampoo, conditioner, soap, etc).
- Glass: Bottles; Jars; Jugs; but not windows, dishes or mirrors (broken or not). Aluminum: Pie plates; Foil; Rigid foil containers; Trays; Soft drink cans.
- Aerosol cans (empty); Metal lids; Steel cans; Food and beverage cans.

Do **NOT** put in the BLUE BOX:

- Motor oil bottles/cans
- Herbicide bottles/cans
- Pesticide bottles/cans
- Paint cans, Pots & pans
- Plastic spines
- Polystyrene (Styrofoam trays, cups)
- Dishes, windows, mirrors (broken or not)
- Containers that held hazardous waste.
- Film plastic (bags & cellophane)

If a plastic container does not have a recycling logo 1 to 7, don't put it in the Blue Box.

Cables/cords (from computers, printers, extension cords, household electrical appliances, etc,) **do not** go in the Blue Box. They go in the E-Waste recycling bin at the Landfill.
