

THE VILLAGE OF MERRICKVILLE-WOLFORD

BY-LAW NUMBER 32-16

A BY-LAW OF THE VILLAGE OF MERRICKVILLE-WOLFORD TO AUTHORIZE THE BORROWING UPON AMORTIZING DEBENTURES IN THE PRINCIPAL AMOUNT OF \$205,000.00 TOWARDS THE COST OF THE EQUIPMENT (GRADER & PLOW TRUCK)

AND WHEREAS subsection 401 (1) of the *Municipal Act, 2001*, as amended (the "Act") provides that a municipality may incur a debt for municipal purposes, whether by borrowing money or in any other way, and may issue debentures and prescribed financial instruments and enter prescribed financial agreements for or in relation to the debt;

AND WHEREAS subsection 408 (2.1) of the Act provides that a municipality may issue a debenture or other financial instrument for long-term borrowing only to provide financing for a capital work;

AND WHEREAS the Council of The Village of Merrickville-Wolford (the "Municipality") has passed the By-law or By-laws, as applicable, enumerated in column (1) of Schedule "A" attached hereto and forming part of this By-law authorizing the capital work described in column (2) of Schedule "A" (individually a "Capital Work" and collectively the "Capital Works", as the case may be), and authorizing the entering into of a Financing Agreement dated effective as of November 04, 2016 for the provision of temporary and long term borrowing from Ontario Infrastructure and Lands Corporation ("OILC") in respect of the Capital Work(s) (the "Financing Agreement") and the Municipality desires to issue debentures for the Capital Work(s) in the amount or respective amounts, as applicable, specified in column (5) of Schedule "A";

AND WHEREAS before authorizing the Capital Work(s) and before authorizing any additional cost amount and any additional debenture authority in respect thereof the Council of the Municipality had its Treasurer calculate an updated limit in respect of its most recent annual debt and financial obligation limit received from the Ministry of Municipal Affairs and Housing in accordance with the applicable regulation and, prior to the Council of the Municipality authorizing the Capital Work(s), each such additional cost amount and each such additional debenture authority, the Treasurer determined that the estimated annual amount payable in respect of the Capital Work(s), each such additional cost amount and each such additional debenture authority, would not cause the Municipality to exceed the updated limit and that the approval of the Capital Work(s), each such additional cost amount and each such additional debenture authority, by the Ontario Municipal Board pursuant to such regulation was not required;

AND WHEREAS the Municipality has submitted an application to OILC for long term borrowing through the issue of debentures to OILC in respect of the Capital Work(s) (the "Application") and the Application has been approved;

AND WHEREAS to provide long term financing for the Capital Work(s) and to repay certain temporary advances in respect of the Capital Work(s) made by OILC pursuant to the Financing Agreement, it is now deemed to be expedient to borrow money by the issue of amortizing debentures in the principal amount of \$205,000.00 dated December 20, 2016 and maturing on December 20, 2026, and payable in semi-annual instalments of combined principal and interest on the twentieth day of June and on the twentieth day of December in each of the years 2017 to 2026, both inclusive on the terms hereinafter set forth;

interest cheques (if any) that are mutilated, defaced, lost, mysteriously or unexplainably missing, stolen or destroyed may be imposed by the Municipality. When new Debentures are issued in substitution in these circumstances the Municipality shall: (a) treat as cancelled and destroyed the Debentures in respect of which new Debentures will be issued in substitution; (b) certify the deemed cancellation and destruction in the registry; (c) enter in the registry particulars of the new Debentures issued in substitution; and (d) make a notation of any indemnities provided.

17. Except as otherwise expressly provided herein, any notice required to be given to a registered holder of one or more of the Debentures will be sufficiently given if a copy of such notice is mailed or otherwise delivered to the registered address of such registered holder.
18. The Mayor and the Treasurer are hereby authorized to cause the Debentures to be issued, one or more of the Clerk and Treasurer are hereby authorized to generally do all things and to execute all other documents and other papers in the name of the Municipality in order to carry out the issue of the Debentures and the Treasurer is authorized to affix the Municipality's municipal seal to any of such documents and papers.
19. The money received by the Municipality from the sale of the Debentures to OILC, including any premium, and any earnings derived from the investment of that money, after providing for the expenses related to their issue, if any, shall be apportioned and applied to the Capital Work(s) and to no other purpose except as permitted by the Act.
20. Subject to the Municipality's investment policies and goals, the applicable legislation and the terms and conditions of the Debentures, the Municipality may, if not in default under the Debentures, at any time purchase any of the Debentures in the open market or by tender or by private contract at any price and on such terms and conditions (including, without limitation, the manner by which any tender offer may be communicated or accepted and the persons to whom it may be addressed) as the Municipality may in its discretion determine.
