

Environmental Advisory Committee (EAC)

AGENDA – May 17, 2012

Call to Order

Declaration of Pecuniary Interest

Approval (re-approved by email) /Additions to Agenda

Old Business

- Web page – changes still not made. Has Council seen them?
- Pitch-In Campaign – update/review – discuss photos, including best ones, and the biggest garbage items (volume)
- Tour of Perth Waste Management Centre – date?
- Registration for www.sustainableeasternontario.ca and www.rideau.reuses.com – **PLEASE visit both before the meeting.**
- Recycling other municipalities
- Draft Drinking Water Policies RVCA (**DEADLINE was May 4, 2012 for comments**)
- Update from Merrickville Goes Green – Ecofair, Community Gardens, Rainbarrels -

New Business

- **3i Summit in Ottawa last weekend.** If interested, I encourage you to visit <http://www.3isummit.com/>: The 3i Summit on Sustainability is a unique project that brings change agents, leaders and connectors from many sectors together to learn from each other and collaborate on a shared mission to advance new initiatives for a better community through a focus on practical, tangible ideas to put into action.
