StoryTime: continues to go well. Attendance is up and down (often affected by illness).

French StoryTime: attendance is inconsistent.

Saturday PlayDays: these are modestly successful. Will put out the toys, etc every day during the first week of January (before school goes back).

Christmas visits: Visited classes at Montague school. Have some Merrickville visits scheduled for later in the month. Did green screen photos at Christmas in Merrickville (at Breakfast with Santa).

Class Visits to Library: Three classes from Ste Marguerite continue to make regular visits.

Playgroup: Still doing visits most Wednesdays.

Daycare: Continuing with monthly visits to the preschoolers and toddlers. Also lending books.

Adult Programs:

Fitness for Your Aging Brain: this session is ending, but there will be a new session coming out in January. Have also discussed some other program ideas for seniors.

Book Clubs & Off the Shelf: Continuing to go well.

Internet/Computers: use levels remain consistent.

InterLibrary Loans: Requests from other libraries are up from October's lull.

Meeting Room: There have been a lot of requests for the meeting room. Apart from programs, it is being used up the Fair Board, the Health Centre (meditation group), the Chamber of Commerce, the Trails Society, Run Merrickville, TNIM, Eco-Champions, and the Girl Guides. We are still offering virtual meetings through Zoom, but only one group is making use of it.

Collection: Weeding continues. Have ordered some new decodable books thanks to the Lions Club

donation. Have done the winter bestseller order.

Volunteers: All is good on this front. The volunteers do shelving, processing new books, packaging ILLs, and working on the genealogy collection. Have given appreciation gift certificates.

Donations: Have received some end of year donations.

Accessibility Plan: Have spoken with Public Works, and awaiting more feedback.

Publicity/Outreach: Continuing with the usual publicity outlets: Phoenix, webpage, social media. There was some nice coverage of the raffle in the Phoenix.

Partnerships/Outreach: have been approached by the Hospice re: using the meeting room as a satellite office once a month. We are continuing to work with our usual partners/community groups: Trails Society, Health Centre, Sustainable Merrickville-Wolford, Eco-Champions, Chamber of Commerce, Fair Board, schools, daycare, Playgroup. Eco-Champions and the Seed Library will start ramping up in January. The Chamber is planning another Snowflake Festival for Family Day and the Library will participate in that again.

Be it hereby resolved that:

The Council of the Corporation of the Village of Merrickville-Wolford does hereby receive report FIN-04-2023 regarding the 2023 water and wastewater rates; and

That Council does hereby give favourable consideration to By-law 07-2023, being a by-law to amend By-law 24-03, to adopt the 2023 Water and Wastewater Rates at an increase of 3%.

Village of Merrickville - Wolford

Report FIN-04-2023
Finance Department
Information/Action Report to Council
Date to Council: January 30, 2023

RE: 2023 Water and Wastewater Rates

OBJECTIVE: To obtain Council's approval of the 2023 water and wastewater rates.

RECOMMENDATION:

THAT: Council does hereby receive report FIN-04-2023 regarding the 2023 water and wastewater rates; and

THAT: Council gives favourable consideration to By-law 07-2023, being a by-law to amend By-law 24-03, to adopt the 2023 Water and Wastewater Rates.

BACKGROUND:

The *Sustainable Water and Sewage Systems Act, 2002*, requires municipalities to assess the costs of water and to develop plans to charge appropriate rates and generate sufficient revenue to finance capital and operating costs of sewer and water systems. The *Sustainable Water and Sewage Systems Act*, requires municipalities to institute full cost accounting and recovery for water and wastewater services. They cannot be financed through property taxes.

ANALYSIS:

Staff are recommending a 3% increase for 2023. Applying a 3% increase to the water and wastewater rates, the base user rates for residential and multi-residential water and wastewater classes combined will increase from \$153.53 to \$158.14, per unit, per month. The Industrial, Commercial and Institutional classes will see a base user rate increase from \$235.53 to \$242.60, per unit, monthly. The base rate for properties on water only will increase from \$51.18 to \$52.72. The base rate includes up to 7.5 cubic metres per unit, per month. The rates for metered water/wastewater, after 7.5 cubic metres per unit, per month, will increase from \$8.17 to \$8.42 per cubic metre, and for water only users from \$2.71 to \$2.79.

Our water and wastewater services are now considered financially sustainable. However, in order to remain financially sustainable, the Village will need to continue to increase rates by approximately 3% annually in order to keep pace with inflationary

pressures. Our underground infrastructure is aging, and many of the Village sanitary and water pipes were installed around 1950's – 1970's, and are increasingly in need of repair. Without an annual increase, the Village risks not having enough finances to replace and repair aging infrastructure.

BUDGET/LEGAL IMPLICATIONS:

The 2023 draft budget will include the estimated revenue due to the increase in user rates. The user fees for water are estimated to be \$463,382 and for wastewater \$823,610

LINKS TO STRATEGIC PLANS:

On January 23, 2017, the Council of the Corporation of the Village of Merrickville-Wolford passed By-Law 10-17, being a by-law to adopt the Merrickville-Wolford Strategic Plan 2017-2025.

The priorities of the strategic plan that can be linked to this report are as follows:

Ensuring efficient, effective services and civic engagement:

Fiscal sustainability is an important part of providing efficient services to ratepayers.

Conclusion:
