PUBLIC WORKS**

---

**Quotation No. PW RFQ 23-04 for  
Coarse Winter Salt for 2023 - 2024**

The Public Works Department invites price quotations for the supply and delivery of winter road salt to Merrickville-Wolford Public works garage on Roses Bridge Road.

You are invited to submit a quotation for one or more of the following requirements. The quoted price shall remain in effect for the duration of the 2023-2024 winter maintenance seasons. Additional salt if required at one or more locations during the winter season shall be supplied at the quoted price.

<b>Location</b>	<b>1. Wolford Garage 495 Roses Bridge Road Easton's Corners</b>	<b>250 tonnes</b>
-----------------	---	-------------------

Quotations may be submitted on the form provided:

The following conditions shall apply to the supply of coarse winter road salt under this tender:

1. Work shall be completed by October 27, 2023.
2. Description of Work:
3. The coarse winter road salt shall be dumped on the asphalt apron in front of the sand dome from where it shall be mixed and stockpiled in the sand dome.
4. Quotations should be based on a unit price per tonne of winter road salt supplied. *Scales shall be supplied by Contractor.*
5. Quotations can be emailed to [publicworks@merrickville-wolford.ca](mailto:publicworks@merrickville-wolford.ca) until: *12:00 noon. on Friday September 29, 2023.*

Quotation No. PW RFQ 2023-04  
For Coarse Winter Road Salt, 2023-2024

6. Default by Contractor

- i. If the Contractor commits any act of bankruptcy; or if a receiver is appointed on account of its insolvency or in respect of any of its property; or if the Contractor makes a general assignment for the benefit of its creditor; then, in any such case, the Municipality may, without notice, terminate the contract.
- ii. If the Contractor fails to comply with any request, instruction or order of the Municipality; or fails to pay its accounts; or fails to comply with or persistently disregards statutes, regulations, by-laws or directives or relevant authorities relating to the work; or fails to prosecute the work with skill and diligence; or assigns or sublets the contract without the Municipality's written consent, or refuses to correct defective work; or is otherwise in default in carrying out its part of any of the terms, conditions and obligations of the contract or fails to provide material(s) as per the contract's specifications; then, in any such case, the Municipality may upon expiration of ten days from the date of written notice to the Contractor, terminate the contract.
- iii. Any termination of the contract by the Municipality, as aforesaid, shall be without prejudice to any other rights or remedies the Municipality may have.

1. If the Municipality terminates the contract, it is entitled to:

- a. take possession of all work in progress and finish the work by whatever means the Municipality may deem appropriate under the circumstances; withhold any further payments to the Contractor until its liability to the Municipality can be ascertained.
- b. recover from the Contractor, the expense incurred between the monetary difference in the awarded contracted material cost and the bid price of an alternate supplier; recover from the Contractor, loss, damage, and expense incurred by the Municipality.
- c. and by reason of the Contractor's default (which may be deducted from any monies due or becoming due to the Contractor, or any holdback to be paid by the Municipality.

7. Payment in the amount of the value of material delivered shall be made within 30 days upon receipt of invoice.
8. Prices quoted must include all applicable Provincial Taxes. which will be paid as an extra to the price quoted.
9. The Municipality reserves the right to accept the quotation it deems to be in its best interest. In particular, since the quality of salt varies considerably depending on its source, the Municipality assessment of the quality of the salt may influence the award of the quotation. The Municipality will sample the material during production and/or delivery for the purpose of acceptance testing.
