Call to Order

Approval/Additions to Agenda

Approval of Minutes – Done by email

Old Business

- Styrofoam Usage – Shelley
- Wood chipper update - Gary & Andy
- Obsolete meds and pesticides - Gary referred this issue to the Agricultural Committee – Gary
- PITCH IN 2017 (last week in April) update - All
- Strategic Plan C section – sent to office – any updates?
- Community in Blooms update - Claire

New Business

- Plans for composting workshop this spring in collaboration with MGG – Claire
- Resolution R-17 to encourage residents to participate in both the Earth Hour Challenge and Pitch IN Week. Question from Robbie Gilles: Does Council view Earth Hour and Pitch-In as part of a broader strategy to engage citizens in “Protecting Natural Environments” and will it work with its Environment Committee and Public Works staff to ensure that developers and contractors are encouraged, along with schools, businesses and citizens at large, to not only clean up litter and turn off lights - but also develop an integrated municipal plan to promote “beautification” and discourage littering all year round?
